

MAY 13 1991

Franklin Plastics Corporation, Kearny, New Jersey

Richard C. Salkie, Associate Director for
Removal and Emergency Preparedness Programs

Vincent Pitruzzello, Chief
Program Support Branch

Based on the analysis of the Field Investigation Team (FIT) activities, as presented in an October 19, 1990 memorandum from the Pre-Remedial and Technical and Support Section, a November 8, 1990 site reconnaissance and an ATSDR Health Consultation, the site is not removal eligible. The Removal Site Evaluation document is attached as a reference.

If you should have any questions or require further information please feel free to contact either Nick Magriples at FTS 340-6930 or John Witkowski at FTS 340-6739.
